## Lido Protocol Audits

### 12-2020 Sigma Prime Security Assessment

The testing team identified a total of eighteen (18) issues during this assessment, of which:

- Five (5) are classified as medium risk (4 resolved, 1 closed),
- Eight (8) are classified as low risk (4 resolved, 3 closed, 1 open),
- Five (5) are classified as informational (2 resolved, 3 closed).

See [full report](#) for more details.

### 12-2020 Quantstamp Audit

- Total Issues: 14 (7 Resolved)
- High Risk Issues: 0 (0 Resolved)
- Medium Risk Issues: 1 (0 Resolved)
- Low Risk Issues: 4 (3 Resolved)
- Informational Risk Issues: 2 (2 Resolved)
- Undetermined Risk Issues: 7 (2 Resolved)

See [full report](#) for more details.

## Security & Audits

Aave has been implemented with security as priority. The system has been designed to be safe and secure, and we have spent all the necessary resources in order to ensure that the protocol matches the highest security standards.

Below are the links to all audit reports and formal verification for Aave V3.0.1

### V3.0.1 Audits

Auditor	Audit Type	Date
SigmaPrime	Smart Contract	12-23-2022
Certora	Formal Verification	11-17-2022 - 12-15-2022
PeckShield	Smart Contract	12-09-2022

Tokenomics governs how a DeFi platform's tokens are issued, distributed, and managed. It's the economic policy for a cryptocurrency. But when this policy is flawed, it leaves tokens open for the taking. In DeFi, the devil is often in the (technical) details.

Yeah send it to a web3 wallet very advisable

@Niner brought KNC 3 decades ago

Yeah send it to a web3 wallet very advisable

Emma | CertiK

Yeah, will do soon. BTW, Do you think this issue will affect trust wallet?

@Emma | CertiK

Yeah, will do soon. BTW, Do you think this issue will affect trust wallet?

Niner brought KNC 3 decades ago

Not at all just that the general cryptocurrency market would be quite unstable for a long time  
Since bitcoin halving is coming up in less than 4months lets see how it plays out quite unsure for now (已编辑)

Emma | CertiK

True.

@Emma | CertiK

True.

Niner brought KNC 3 decades ago

Yeah 🙌

@Niner brought KNC 3 decades ago

JUST IN: #Binance CEO Changpeng Zhao (CZ) facing 18 months in prison as part of his plea deal with the US Government.

Niner brought KNC 3 decades ago

This was even worst than the CZ resignation him facing 18 months in prison is way worst and would seriously affect the crypto market (已编辑)
